MARICOPA COUNTY ELECTIONS DEPARTMENT

Bilingual Boardworker Training
Jurisdictional Elections
November 5th, 2013

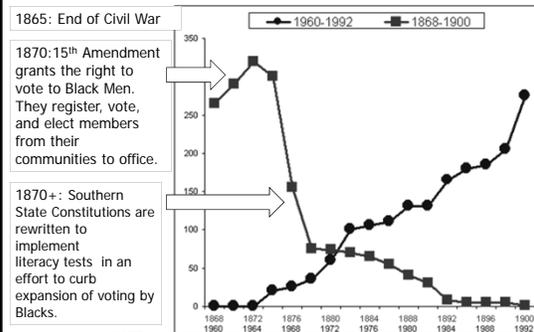

CLASS AGENDA

- Review the ways we assist in processing voters.
- Review how to assist voters in casting their ballots.
- What is on the ballot?

MISSION STATEMENT

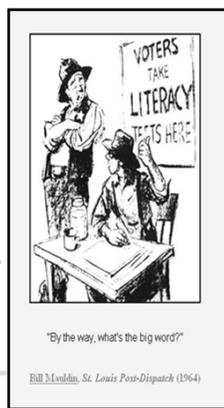

Maricopa County Elections Department's Assistance Program strives to ensure equal access to the electoral process for all its citizens and to provide the assistance some voters may require based on physical or mental abilities, mobility concerns, or language skill sets.

Number of Black Southern Legislators, 1868-1900 and 1960-1992

Voter Registration totals follow this same trend

- The literacy tests had some unintended consequences.
- It worked so well that in the agricultural South large numbers of white men were unable to register either (when they were asked to take the test, which wasn't often).
- Thus the *Grandfather Clause* was introduced:
 - *If your grandfather had the right to vote before the Civil War, you automatically have the right to vote.*

Literacy tests and voting requirements:

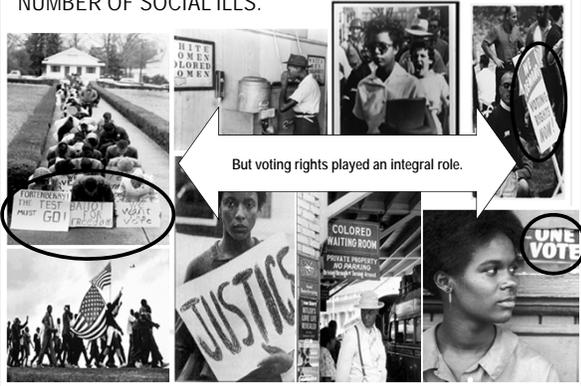

"I didn't ever have any fear. I wanted to go vote. And when I did go over there to vote, they asked me, 'How many grains of corn on a cob? How many seeds in a watermelon?' I said, 'How do you know unless you cut it open and count it?'"

Not all voters were asked these questions.

If you do not ask **ALL VOTERS** for ID (not just those who you don't know or who you don't like the way they look or sound) justice is not well served and we have not made much progress since 1965.

THE CIVIL RIGHTS MOVEMENT SOUGHT TO ADDRESS A NUMBER OF SOCIAL ILLS.

1963: MARCH ON WASHINGTON

- 50 years have passed since the in famous "I Have a Dream" speech on the National Mall in Washington, DC.

FREEDOM SUMMER 1964

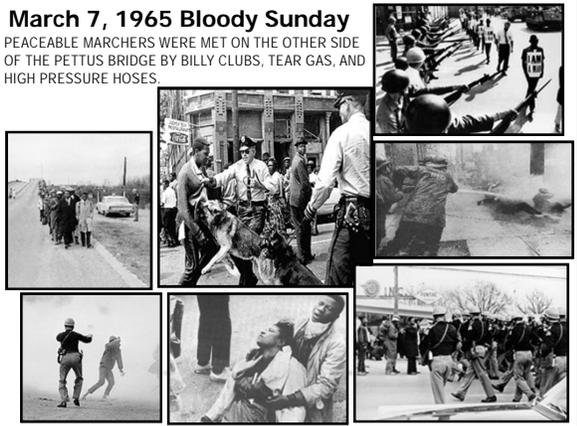

Students from all over the country head South to register voters.

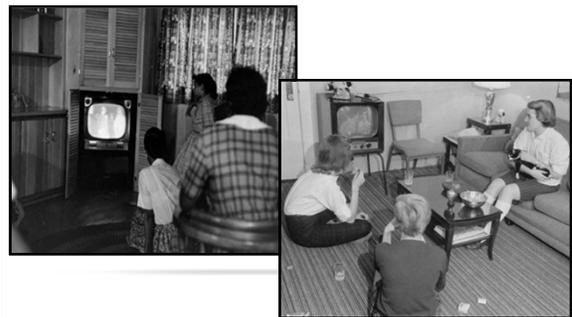

The Nation became aware of the violence happening in the South that summer with the disappearance and later discovered murder of 3 Northern students who were slain in Mississippi for registering voters.
(The movie "Mississippi Burning" was based on this story.)

March 7, 1965 Bloody Sunday

PEACEABLE MARCHERS WERE MET ON THE OTHER SIDE OF THE PETTUS BRIDGE BY BILLY CLUBS, TEAR GAS, AND HIGH PRESSURE HOSES.

COVERAGE OF WHAT WAS HAPPENING WAS BROUGHT INTO LIVING ROOMS ACROSS THE COUNTRY ON THE NIGHTLY NEWS

1965 VOTING RIGHTS ACT

Overview:

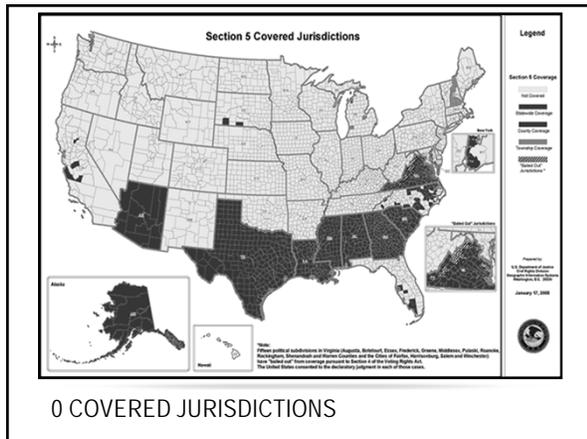

- Enacted by President Lyndon B Johnson
- Outlaws such measures as literacy or other tests used as prerequisite for obtaining a ballot.
- Any voter requiring assistance may receive it from the person of their choice other than the voter's employer or agent of that employer or officer or agent of the voter's union. (EXCEPTION: Arizona State Law prohibits candidates from assisting the voters in casting their ballots.)
- Law in place for 10 years (*more about that in a minute*)

Section 5:

This year the Supreme Court threw out the formula (found in Section 4) used to determine what jurisdictions are covered under Section 5.

Arizona is no longer covered by Section 5.

VRA 1975 AMENDMENTS

- Congress held hearings around the nation and found that Americans were having difficulty registering and voting not just based on race.
- In 1975 the Voting Rights Act was amended to include protection to voters of language minorities.
- Ensures that members of a language minority must have the ability to participate effectively in the electoral process, and that this includes ballot language.

MARICOPA COUNTY COVERED LANGUAGES

- Currently the entire state of Arizona is covered for the Spanish language.
- Within the state counties which have Native American Tribal lands may also be required to provide election materials in that language.
- Maricopa County provides information in the Tohono O'odham language as well as in Spanish.
- This part of the Voting Rights Act has not changed.

ASSESSING THE POLLING PLACE

It is the responsibility of **every** boardworker to make sure that the polling place is set up in as efficient a manner as possible to accommodate the voters and that all procedures are being followed.

Regardless of the position you are working, **everyone** is empowered to make sure that you work as a team, that laws are followed, and that the voters are well served.

PRECINCT MAP: 2013 NOVEMBER CONSOLIDATED ELECTIONS

FOR CITY/TOWN ELECTIONS VOTERS IN COUNTY ISLANDS ARE NOT ELIGIBLE

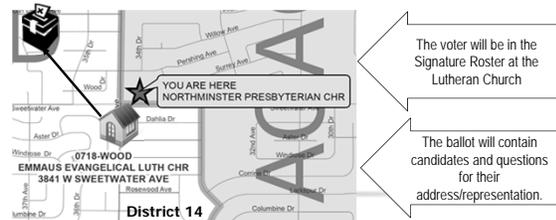

ELIGIBLE VOTERS?

- House # **1** ?
- House # **2** ?

WHY DO VOTERS HAVE TO VOTE IN HOME PRECINCT?

- Even if the voter lives across the street from the PP they may live in another voting District.
- Voters need to have races and questions on their ballot that they are qualified to vote for.
- A provisional ballot in Acacia precinct will not contain the correct candidates.

VOTERS HAVE TO VOTE WHERE THEY CURRENTLY LIVE!

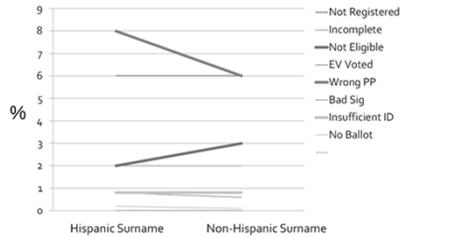

- Do not have voters go back to their "old" polling place.
- If a voter has moved out of your precinct, direct them to their new polling location.
- If they no longer live in the Town/City, then they ARE NOT Eligible to vote in the election.

Many voters cast provisional ballots and put down new addresses in other parts of the valley—they should have been directed to their new polling place.

GENERAL ELECTION 2012: WRONG PP AN ISSUE
BE SURE THE VOTER IS IN THE RIGHT LOCATION!

Didn't Count Provisionals by %

OTHER REASONS PP CHANGE:

EXPLANATION OF ISSUE/COMMENTS:
 Difficult to find polling location. Signs are not clear. Took a while to find just one sign. Apartment complex is complicated LZZ.

EXPLANATION OF ISSUE/COMMENTS:
 BAD POLLING SITE - LIMITED PARKING DLS

EXPLANATION OF ISSUE/COMMENTS:
 Location is too small. No air conditioning for workers. LZZ

EXPLANATION OF ISSUE/COMMENTS:
 Not enough parking spaces. Very dangerous area.

We need to educate the voters that PPs **CAN**, and **DO**, change and to read the information mailed to them by MCED.

IT IS CRITICAL THAT THE VOTER GIVE US THEIR RESIDENTIAL ADDRESS—WHERE THEY LIVE, NOT JUST WHERE THEY GET THEIR MAIL. WE HAVE TO USE THAT INFORMATION TO ENSURE THAT THE VOTER HAS NOT MOVED AND ARE IN THE CORRECT POLLING PLACE.

Informe al votante como localizar el lugar de votación correcto:

- Leer la boleta de muestra y toda otra correspondencia del MCED
- En línea www.recorder.maricopa.gov
- Llamando al 602-506-1511
- Revisar el mapa en la mesa provisional para localizar el lugar de votación correcto

La boleta de muestra enseña la urna en rojo:

El sitio web permite a los votantes localizar el lugar de votación correcto de acuerdo a su dirección:

www.recorder.maricopa.gov

THE ONLY THING CONSISTENT IS CHANGE!

- BUT, this time it's GOOD!
- We are in the process of obtaining ePollbooks & will be piloting them this November in a handful of polling places.
- In 2014 they will be implemented county-wide.
- We will no longer have paper Signature Rosters & the processing will change at the sign-in tables for standard and provisional ballots.
- All voters will be in the ePollbooks so you can direct voters to the correct polling location!

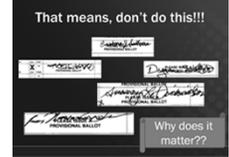

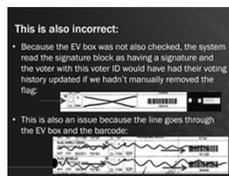

EPOLLBOOKS

- This will allow you to scan an AZ drivers license or the voter's ID card and it will locate them in the system.
- You can also look voters up using the tablet.
- Voters sign the signature pad to update their voting history and serve as the poll list.

NO MORE OF THIS!

- All the records will be updated with Adds & Deletes so you won't have that task at set-up!
- Also, provisional voters will be signed in correctly...

BUT FOR NOW: STILL NOT SURE?

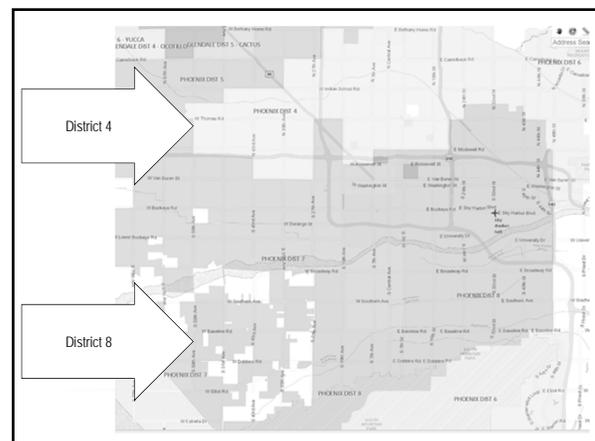

- If the voter doesn't know where their correct location is, and they are having difficulty reading the map, *call the voter information line*.

602-506-1511

- The boardworker hotline is not for voters!!

CITY OF PHOENIX VOTE CENTERS

- The City of Phoenix has elections in Districts 4&8
- They are the only municipality in Maricopa County which conducts their own elections.
- They have the majority of their voters on the PEVL so have gone to a vote center model.
- They have 11 locations that any voter can go to and obtain a ballot.
 - Each location is tied to the main office to check if the voter has already voted
 - They have a limited number of ballot styles so are able to provide any City voter with the correct ballot (MCED can have as many as 7,000 styles...)

CITY OF PHOENIX VOTE CENTERS

- If you are working a school district election that contains Phoenix voters you will be given a list of their vote center locations.
- You may be working at a facility that is also a City voting location—but this DOES NOT necessarily mean that all of the voters going to the City site are also registered/reside in the school district, any voter in the City can go to any vote center but the school district election is still bound to the precinct where the voter lives.

M y O Aumento al Presupuesto (ejemplo)

La autorización de aumento al presupuesto del 2014-2015 representa una extensión y un aumento de la autorización existente de aumento del 10% al presupuesto que está programada para disminuir gradualmente por un tercio en el año fiscal 2015-2016 si los votantes no aprueban el aumento al presupuesto.

Se calcula que la cantidad del presupuesto aumento al presupuesto propuesto sobre el presupuesto alterno para el año fiscal 2014-2015 será \$6,531,054. En los años fiscales 2014-2015 hasta 2015-2016 la cantidad del presupuesto aumento será del 15% por ciento del límite de control de ingresos del Distrito en cada uno de dichos años, de conformidad con la Sección 15-481(F) de los Estatutos Revisados de Arizona. En los años fiscales 2016-2017 y 2017-2018 la cantidad del presupuesto aumento será del 10% y del 5%, respectivamente, del límite de control de ingresos del Distrito en cada uno de dichos años, de conformidad con la Sección 15-481(F) de los Estatutos Revisados de Arizona.

Cualquier aumento de presupuesto autorizado por esta elección se financiará en su totalidad por medio de un aumento de impuestos a propiedades sujetas a impuestos en este distrito escolar para el año en que se adopta y por seis años subsecuentes, no se llevará a cabo con dinero proporcionado por el estado y no estará sujeto al límite de impuestos especificado en el Artículo IX, Sección 16, Constitución de Arizona. Con base en la valoración tasada actual usada para fines de impuestos secundarios a la propiedad, para financiar el presupuesto aumento en el presupuesto del distrito escolar se requerirá la continuación de un índice de impuestos que se calcula en \$1.51 por cent dólares de valoración tasada usada para fines de impuestos secundarios a la propiedad y es además del índice de impuestos del distrito escolar que se aumentará para financiar el límite de control de ingresos del distrito escolar que permite la ley.

PROTECTING VOTER'S RIGHTS:

• The voter can bring in someone of their choice to assist them—but be watchful to the fact that some individuals may attempt to intimidate the voter into taking them into the polls with them.

• If a voter comes in with an assistant simply ask them:

"Is this person here to assist you? Because we can help with anything that you need."

• This provides the voter with an outlet should they need it.

• Then ask the assistant if they are also there to vote.

• If they are not, then they must wait outside of the 75 feet for the voter to finish.

PROTECTING VOTER'S RIGHTS:

Remember that candidates *CANNOT* assist voters in casting their ballots, nor can they be in the polling place unless they themselves are voting or dropping off their ballot.

PROTECTING VOTER'S RIGHTS:

Notify the Hot Line immediately if anyone witnesses voter intimidation

If, at anytime, you are confronted by another voter with questions about why we are providing another language in the polling place, simply reply that "Federal law requires us to provide language assistance." (& *what law is that??*)
