- Voter registration deadline is **29** days prior to the election

- This was done for the PPE, however the Governor veto the bill (for other reasons) which would change **ALL** elections to the **26** days
- We anticipate this correction in the next session.

**NOTICE / AVISO**  
 This request must be received by the Office of the County Recorder no later than 5:00 p.m. on the second Friday preceding the election.  
 La Oficina del Registrador del Condado tiene que recibir esta solicitud a más tardar a las 5:00 p.m. el segundo viernes antes de la elección.

Provides us with the information needed when attempting to contact the voter should an issue arise with the voter's request or registration.

Informational purposes only, for the benefit of the voter.

With this information and a **signature**, we can mail the voter's early ballot to a mailing address that is different than the that which is reflected on their original registration form.  
 NOTE: *This temporary mailing address will only be effective for the elections indicated on line 1.*

Without this statement and affirmation, our department cannot modify a voter's record. Instead, we would have to send them a new registration form and ask them to request again - after their record has been modified. With this statement and affirmation, we can modify a voter's record directly from this card as long as a signature is provided.

## Mailers: PLEASE don't

---

- ❑ Darken in the signature block. They will not remain legible when scanned and can delay the voters ballot processing.
- ❑ Hold on to the request. Voters call MCED wanting to know where their ballot is. We tell them when we got the request and from whom—you don't want a voter getting a ballot who is angry at you for not turning in their request in a timely manner ...

## Mailers: PLEASE do

---

- ❑ Include voter ID
- ❑ Barcode if possible (3 of 9 format)
- ❑ Include statement that the voter is authorizing MCED to update their voter reg with information on the card with a check box
- ❑ Translate your materials

## Mailers: PLEASE do

---

- ❑ Use a standard size format (these will be scanned and retained in the voter's records 4.25 X 6 inches)
- ❑ Have card return to MCED. (We can record the source code and supply that information to you rather than you gather the data and delay the cards being turned into us.)
- ❑ Deliver cards to MCED. We only have 48 hrs to process

# Mailer: PLEASE do

- If you are using your address then you must identify that to the voter:

## Have you heard?

Arizona now has a new law that allows a voter to place their name on a "permanent early voting list".

What this means is that once you are on this list, for each election you qualify for, you no longer have to request an early ballot to be mailed to you. Instead, by being on this list, an early ballot will automatically be mailed to you approximately 26 days prior to that election.

Having the ballot early will allow you more time to review the ballot, study the issues, research the candidates and vote at your convenience. All early ballots must be received in the Office of the County Recorder, other officer in charge of elections or deposited at any polling place in the county of residence, no later than 7:00 p.m. on Election Day.

See enclosed "return postage paid" request card to apply to be added to the "Permanent Early Voting List" and/or for more detailed information about this list. If you do not wish to be on the list, do not return this card.

*No matter how you decide to cast your ballot, early or at the polls, make sure your voice is heard through the sound of your VOTE...*

Sincerely,

Helen Purcell  
Maricopa County Recorder

## ¿Ha oído?

Arizona tiene ahora una nueva ley que le permite a un/a votante poner su nombre en una "lista permanente de votación temprana".

Lo que esto significa es que una vez que usted esté en esta lista, para cada elección en la que usted tenga derecho de votar, usted ya no tendrá que solicitar que se le envíe una boleta temprana. Al estar en esta lista, a usted se le enviará por correo automáticamente una boleta temprana aproximadamente 26 días antes de esa elección.

Tener la boleta temprana le permitirá a usted tener más tiempo para revisarla, estudiar los asuntos, investigar a los candidatos y votar a su conveniencia. Todas las boletas tempranas deben recibirse en la Oficina del Registro del Condado, otro oficial a cargo de elecciones o depositarse en cualquier lugar de votación en el condado de residencia, a más tardar a las 7:00 p.m. el Día de la Elección.

Vea la tarjeta de solicitud que se incluye "con el porte ya pagado" para solicitar que lo/la agreguen en la "Lista Permanente de Votación Temprana" y/o para más información detallada sobre esta lista. Si usted no desea estar en la lista, no devuelva esta tarjeta.

*Sin importar la forma en la que usted decida emitir su boleta, anticipadamente o en las urnas, asegúrese de que su voz se escuche mediante el sonido de su VOTO...*

Atentamente,

## PERMANENT EARLY VOTING LIST DETAILED INFORMATION

Any registered voter may request to be included on the "Permanent Early Voting List" in order to automatically receive an early ballot by mail, for all elections they are eligible to participate in, that are governed by state law.

In order to be included on the "Permanent Early Voting List", the voter must make a written request specifically asking that their name be added to the permanent list. The request must include the voter's name, residence address, \*\*mailing address within the county they reside (if different than the residence address), date of birth and their signature.

The voter will remain on this list until the voter's registration is cancelled, moved to inactive status or until the voter requests in writing to be removed from the list. Removal request must include: voter's name, residence address, date of birth and signature. A voter's failure to vote and return an early ballot does remove the voter from the permanent early voting list.

Eligible voters added to this "Permanent Early Voting List", will receive a notice, not less than one hundred twenty (120) days prior to any election in March or September. The notice will include the dates of the elections that the notice is regarding, the dates that the voter's ballot is expected to be mailed (26 days prior to any given election) and the address where the ballot will be mailed to. The notice will also include a means for the voter to: change their mailing address (\*\*within the county they reside), update their residence address (\*\*within the county they reside), and/or allow for the voter to request that a ballot not be sent for the upcoming election or elections indicated on the notice.

If the election is a partisan (political party specific) open primary election and the voter is not registered as a member of one of the political parties participating in the election, the notice will include information for the voter on how to select a specific political party ballot to receive.

\*\*A voter cannot list a mailing address that is outside of their county of residence for the purpose of this permanent early voting list unless the voter is an absent uniformed services voter or overseas voter as defined in the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA).

## ELECTION DATE INFORMATION

(Below are the dates that most elections will be held on)

## INFORMACIÓN DETALLADA DE LISTA PERMANENTE DE VOTACIÓN TEMPRANA

Cualquier votante inscrito/a puede solicitar que lo/la incluyan en la "Lista Permanente de Votación Temprana" para recibir automáticamente una boleta temprana por correo, para todas las elecciones a las que tenga derecho de participar, que están reguladas por la ley estatal.

Para que lo/a incluyan en la "Lista Permanente de Votación Temprana", el/la votante debe hacer una solicitud por escrito específicamente pidiendo que su nombre sea añadido a la lista permanente. La solicitud debe incluir el nombre del/de la votante, dirección del domicilio, \*\*dirección postal dentro del condado en el que reside (si es diferente a la dirección del domicilio), fecha de nacimiento y su firma.

El/la votante permanecerá en esta lista hasta que la inscripción del/de la votante se cancele, se cambie a categoría inactiva o hasta que el/la votante solicite por escrito que lo/la eliminen de la lista. La solicitud para que lo/la eliminen de la lista debe incluir: nombre del/de la votante, dirección del domicilio, fecha de nacimiento y firma. No votar o no devolver una boleta temprana hace que el/la votante sea eliminado de la lista permanente de votación temprana.

Los/las votantes con derecho a voto que se agregan a esta "Lista Permanente de Votación Temprana" recibirán un aviso, no menos de ciento veinte (120) días antes de cualquier elección en marzo o septiembre. El aviso incluirá las fechas de las elecciones que el aviso considera, las fechas en que se espera que el/la votante envíe por correo la boleta (26 días antes de cualquier elección) y la dirección a donde debe ser enviada la boleta. El aviso también incluirá una manera para que el/la votante: cambie su dirección postal (\*\*dentro del condado en que reside), actualice la dirección de su domicilio (\*\*dentro del condado en que reside), y/o permitirle al/a la votante solicitar que no se le envíe una boleta para la próxima elección o elecciones indicadas en el aviso.

Si la elección es una elección primaria abierta de partido (partido político específico) y el/la votante no está inscrito/a como miembro de uno de los partidos políticos que participan en la elección, el aviso incluirá información sobre cómo puede el/la votante seleccionar recibir una boleta de un partido político específico.

\*\*Un/a votante no puede poner en la lista una dirección postal que esté fuera de su condado de residencia con el propósito de permanecer en esta lista permanente de votación temprana a menos que el/la votante sea un/a votante ausente de los servicios uniformados o un/a votante en el extranjero de acuerdo a lo que se define en Uniformed and Overseas Citizens Absentee Voting Act (la Ley de Votación de Ciudadanos Ausentes Uniformados y en el Extranjero, cuyas siglas en inglés son UOCAVA).
