The left side of the slide features a decorative graphic consisting of several vertical elements: a thin red line, a wider red bar with a fine grid pattern, another thin red line, and a large red circle. To the right of the large circle are four smaller red circles of varying sizes, arranged in a vertical line.

PROVISIONAL BALLOT PROCESSING

**Maricopa County Elections Department
Community Network Meeting**

May 28th, 2008

BACKGROUND TO PROVISIONAL BALLOTS

- In Arizona we have had a form of provisional voting for years.
- Previously called “Ballots To Be Verified” and “Question Ballots”, voters whose name did not appear in the Signature Roster were still able to cast their vote and have it count after it was determined that they were eligible.
- The most common reason this occurs is due to voters not maintaining a current voter registration when they move.
- Not all states had this option available to voters.

BACKGROUND TO PROVISIONAL BALLOTS

- In some states if your name was not in the Signature Roster you were turned away and not allowed to vote—regardless of the reason or if it was in error.
- The Help America Vote Act requires all voters to have the option of voting a provisional ballot.
- The states have the responsibility of setting guidelines for what counts and what doesn't (IE in Arizona must be cast in correct polling place).

BACKGROUND TO PROVISIONAL BALLOTS

- Couple of things to keep in mind when discussing provisional ballots:
 - Provisional ballots do not mean the same thing in every state.
 - The intent of the provisional ballot is that all voters have an opportunity to vote and have the eligibility of that ballot be reviewed rather than being turned away from the polls.
 - Voters still have the responsibility to cast their ballot in the correct polling place so that they are voting on races/issues which pertain to them.
 - To just give every voter not in the roster a provisional ballot can actually disenfranchise the voter if they are in the wrong polling place...

POLLING PLACE PROCEDURES

- Boardworkers determine if the voter will sign in the main Signature Roster and get a standard ballot or if they need to go to the Provisional Ballot table.
- This is covered in training and they also have Duty Cards and Voter Instruction Sheets to help them make this determination at the polls on Election Day.

PROVISIONAL BALLOT PROCEDURE

There are the seven reasons why someone may be required to vote a Provisional Ballot:

- ✓ The voter does not have the required proof of identification.
- ✓ The voter's name does not appear in the Signature Roster.
- ✓ The Voter has moved **WITHIN THE PRECINCT**.
- ✓ The Voter has moved **INTO THE PRECINCT** from within the county.
- ✓ The Voter has been issued an Early Ballot.
- ✓ The Voter has changed their name.
- ✓ The Voter is challenged at the polling place.

Once it has been determined that the voter needs to vote a Provisional Ballot, they must go to the Provisional Ballot Table and the following procedure must be followed:

HINT: Everything concerning Provisional Ballots is Red or Pink:

Signature Roster Duty Card of Boardworker Instructions

SIGNATURE ROSTER DUTY CARD – PAGE 1

1. Ask the voter for identification. See List 1 and 2 attached to this card. **If the voter does NOT have one item from List 1 or two items from List 2, ask the voter to go over to the Provisional Ballot Table.**
2. If the voter has one item of ID from List 1 or two items of ID from List 2, find the voter's name in the Signature Roster. Check the **Active** voters (white pages), **Inactive** voters (tan pages), and **Add-ons** (yellow pages).
3. Verify the voter's address. **If the address on the voter's ID matches the address in the Signature Roster, go to #5 on this card.** If the address on the voter's ID does NOT match the Roster, ask the voter to go to the Provisional Ballot Table.
4. **If any of the these situations applies, the voter must go to the Provisional Ballot Table:**
 - A. If the voter's name is not in the Signature Roster.
 - B. If the voter has moved.
 - C. If the voter's address on the ID does NOT match the address in the Roster.
 - D. If the voter requested/received an Early Ballot and did not bring it to the polls.
 - E. If the voter's name has changed.
 - F. If the voter is challenged at the polling place.
5. Ask the voter to sign in the signature block next to their name.
6. Announce the voter's Roster/Register Number to the Poll List Clerk.
7. Direct the voter to the election official issuing ballots.
8. If the voter has their "voted" Early Ballot, **the voter does NOT have to stand in line or sign the Signature Roster.** Make sure the Early Ballot packet is signed and ask the voter to deposit it in the extra ballot box with the Blue Lid.
9. If the voter has their Early Ballot but does NOT have the Early Ballot Packet, give the voter a Blue Early Ballot Envelope. Ask the voter to fill out the envelope, sign it, and seal their ballot inside of it. **The voter does not sign the Signature Roster.** Ask the voter to deposit the Blue Early Ballot Envelope in the extra ballot box with the Blue Lid.

PROVISIONAL BALLOT VOTERS:

Provisional Ballot voters must go to the Provisional Ballot table. They do **NOT** have to return to the Signature Roster. They will sign the Pink Provisional Ballot Roster and receive their ballot at the Provisional Ballot Table.

Rev. 9/2007

Training also covers how to correctly fill out the provisional ballot form:

- 1) Verify the voter's address on the precinct map. Determine whether or not the voter lives in the precinct. **In order for the ballot to be counted, the voter must live in the precinct at which they vote.** If the voter does not live within the precinct, carefully determine in what precinct they live and look up the address for that polling place using the list provided. If there is a problem identifying the proper precinct where the voter should vote, direct them to the voter assistance line 602-506-1511.
- 2) Ask the voter to show you the required proof of identification, as listed on page 22. You must circle YES or NO at the top of the pink Provisional Ballot form. **If the voter has 1 item from List #1 or 2 items from List #2 THE BOARDWORKER CIRCLES "YES" BECAUSE THE VOTER IS NOT REQUIRED TO RETURN.** Circle "NO" **ONLY IF:** the voter has no identification at all OR if the voter has only one item from List # 2. Only in these two cases does the board worker circle "NO" at the top of the provisional ballot form. **If the answer is NO, the voter may still vote a Provisional Ballot, but instruct the voter that they must provide identification within 3 days after the election to in order for their vote to count and give them the list of locations where they may go to have their identification verified.**
- 3) Detach the pink Provisional Ballot Receipt, provide it to the voter, and then complete the Provisional Ballot Form--**BE SURE TO INCLUDE THE PRECINCT NUMBER ON LINE #1.** One **BOARD WORKER** must sign the form **ALONG** with **THE VOTER** in order for the ballot to be counted.

PROVISIONAL BALLOTS – PAGE 1

☆☆☆EVERY VOTER HAS THE RIGHT TO VOTE A PROVISIONAL BALLOT☆☆☆

WHO QUALIFIES FOR A PROVISIONAL BALLOT?

There are seven reasons why someone may be required to vote a Provisional Ballot:

- ❖ The Voter does NOT have the required proof of identification.
- ❖ The Voter's name does not appear on the Signature Roster.
- ❖ The Voter has moved WITHIN THE PRECINCT.
- ❖ The Voter has moved INTO THE PRECINCT.
- ❖ The Voter has been issued an Early Ballot.
- ❖ The Voter has changed their name.
- ❖ The Voter is challenged at the polling place.

HINT: Everything concerning Provisional Ballots is Red or Pink:
 ☆Red Ballot box lid
 ☆Pink Provisional Ballot Form
 ☆Pink Provisional Signature Roster

HOW TO PROCESS A PROVISIONAL BALLOT

1. If the voter has moved, check the Precinct Map; make sure the voter lives in the Precinct. If the voter does not live in the Precinct, please send them to the correct Precinct.
2. CIRCLE YES OR NO on the top right hand corner of the Pink Provisional Ballot Form indicating whether or not the voter has acceptable ID. **Detach the Pink Copy and give it to the voter.**
3. IF YOU CIRCLED NO, please tell the voter they have 5 business days after a Federal General Election and 3 days after any other election to provide sufficient ID to the County Recorder. **Give the voter a list of locations for ID verification after the election.** The voter may also return to the polling place on election day.
4. Fill out the Provisional Ballot Form. The voter and 1 election official must sign the form.
5. Attach the form to one of the large manila envelopes that have been provided.
6. Print the voter's name in the Pink Provisional Ballot Roster.
7. Have the voter sign the Pink Provisional Ballot Roster.
8. Select the correct ballot for the voter. **Fold the ballot in half and instruct the voter to seal it inside the Provisional Ballot Envelope after they have finished voting.**
9. Instruct the voter on the correct way to mark a ballot.
10. The voter should have both the ballot and the Provisional Ballot Envelope when they go to the booth to vote. This will prevent the voter from inserting their ballot directly into the *Insight*.
11. After voting, the voter deposits the Provisional Ballot Envelope in the extra ballot box with the Red lid.

Nope.

The last four of the social and the signature are different.

VOTERS NEED TO VOTE WHERE THEY LIVE:

- Why does this give the option to “count the ballot” if the voter was in the wrong polling place?
 - Because we have some polling places which accommodate more than one precinct (a co-lo or tri-lo) and if the voter simply filled out the form on the wrong side of they gymnasium or deposited their ballot in the wrong ballot box we will still count their ballot.
 - Also, we have some precincts which are all-mail due to the small number of voters. If they need to go to a polling place on election day to vote a replacement ballot it would be a provisional and we would count it. (As long as they had not sent in their early ballot.)

EV	0959		1267137
<input checked="" type="checkbox"/>	6		
EV	0960		19306

This ensures that only one ballot can be cast per voter.

- Voters have the ability to request a replacement ballot if they don't receive one or need to spoil their ballot. That is why they cannot put an early ballot into the machine at the polls or vote a standard ballot.

HOW CAN A VOTER PREVENT VOTING A PROVISIONAL?

- If you have a protected address you will *always* vote a provisional ballot since you cannot be listed in the Signature Roster.
- Take sufficient ID with you when you go to vote.
- Fill out the form in its entirety so that we can find you on the voter file.
- Check the status of your provisional and remedy specifically why you had to vote that way! So that the next election you get a standard ballot.
